Miss Jeanette Parkinson
Gordy Baseball Park
Salisbury Md.

Dear Miss Parkinson:

I know this letter comes as quite a surprise to you. I imagine when you saw the envelope you wondered what in the world I was writing about. Well the story is this. We want to come to Salisbury and play a game on Tuesday June the 27th. We are playing a series with The New York Black Yankees in North Carolina and Virginia, and we want to play in Delaware on our way back. We are in Norfolk the 25th and 26th.

I also want to know if you will assist me in getting the park at Dover on Wednesday June 28th. I thought due to the fact you had had dealings with us you could tell the people who we were. Some time it is a little difficult to establish new contacts. On the other hand if you think it best for us to contact them directly, let me know and I will do so at once.

I would appreciate hearing from you right away on this as the time is drawing near.

I would appreciate it also if you will answer by return mail, as Mr. Manley has a few days the first of the week and he could run down and see about the publicity.

Hope you are enjoying good health and the team is looking to suit you. The Eagles are looking very good this year. At present we are leading the league, having only lost one game and won nine. We are in the west this week with our toughest opponents, The Homestead Grays. If they win this series they will look like sure penant winners.

Very Truly Yours
